

# CUTTIN' LOOSE CLUB OF WASHINGTON

Hello Cuttin' Loose Cutters!

As your new President, I'd like to thank you for the opportunity to serve you this coming year. The Board is ready and excited about working together with and for you. I hope together we can support and improve the cutting in our area!

We hold the distinction of being the only cutting club on the West side of Washington! I feel this gives us great opportunities! This letter may seem early, but I think the work we put into the club at this early point is VERY IMPORTANT! This is a GREAT CLUB and will continue to be a GREAT PLACE to show your horses, while having fun and improving your skills. I will strive, with our officers and board members, to work hard on making this club the BEST it can be.

I very much respect the people that have kept this club going for such a long time and hope that this year we can, again, become the club that our members, in the past, has loved and supported. 2011 was a tough year and we had a lot of hurdles that lie behind us but we are now looking forward to moving the club into the future with new and exciting things to come! Check the clubs Website, Face Book Page, and Newsletter for upcoming information or better yet give one of your officers or board members a call or email with any questions you may have.

Success is simple....get more support and people involved in the CLCOW! This starts with us, but has to involve every one of you at some level. I will ask, and I hope you will answer. We need volunteers, sponsors and new members! This can only be accomplished by us! Let's get going and build The Cuttin' Loose Club .... into the "PLACE" to be! To help get started towards that goal please fill out the attached questionnaire and share your thoughts and ideas on making 2012 BIGGER and BETTER and MORE FUN !!!

The Board and I look forward to a great year and to keeping you EXCITED and INFORMED about 2012 at CLCOW! We will communicate the best we can so please feel free to do the same!

Tim Shea
